Winter Planters Update

- Nancy has been supplementing the tall grasses in the planters, and they look better. Joy and Bonnie have some of the grass in their yards and will bring to Nancy.

Bench Update

- Still waiting for Town to install 2 new benches on the south side of East Main.
- We have 2 students making benches for us this year: Cody Garrett and Terry Hirsch.

Snowflake Update

- Joy will take a snowflake to Ed Andreas so he can measure and give us a quote on making 5 additional snowflakes for the remaining light posts along the highway.

Bows Update

- We have approximately 10 bows that have faded. Bonnie experimented with spray painting the bows, and they look great!
- We will use paint on the faded bows – plus UV protectant.

Trash Cans

- We'd like to have 2 of our nicer trash cans for South Main. We have a quote from SixLine; we'll get a quote from Millstream as well and make a decision at our March meeting.

Community Dinner Art Tiles

- Joy has been working with Rick Bieterman and Dave Bailey.
- We've considered covering the utility boxes on East Main; another idea is to keep the tiles all together – perhaps on the west side of The Trailhead building.
- The tiles would need a frame; we will investigate different ways of framing groups of tiles economically.

Utility Boxes Update

- We discussed whether these boxes should be minimized, or stand out with painting, or something.
- We could cover with a material that could be painted by artists; or we could cover with corrugated metal. We're wondering if the Chaffee County Council on the Arts might be interested in taking on this possible art project.

Highway 24 Sculpture Update

- We will pursue asking Eddyline if they'd like to sponsor the sculpture.

NEW BUSINESS

Dog Park Sculpture Donation

- Janene is donating a sculpture, Puppy Love, to be placed in front of the dog park!!!! Thank you, Janene!! We asked Paula to check with the Town to see what else we need to do.
- We discussed using the sculpture as a fundraiser – putting him on wheels, and putting him in front of a business that makes a donation...rotating to different businesses.

Architectural Guidelines for East Main Meeting - Reminder

- February 21st, 5:30 to 7 p.m.

Paula Barnett Town Update

- Staffing updates – Town is looking at doing positions differently. We may have a Parks Foreman and Parks Maintenance, and then seasonal position.

Next Meeting

- The next meeting will be held on Thursday, March 7th at 5 p.m. at Collegiate Peaks Realty.

Adjournment

- The meeting was adjourned at 6:30 p.m.
-

Projects to keep track of:

- Benches in front of AVDI – one long bench? Two benches?
 - Directional pole in K’s park – should we have someone make new placards?
 - Solar lights on bridge?
 - Litter clean up
 - Lamppost globes
-
