LEGAL DISCLAIMER

1. The Permittee shall be solely responsible for all barricades, signs, and any other devices or equipment necessary to ensure the safe flow of pedestrian traffic around the construction/excavation site, and the Permittee shall indemnify and hold the Town of Buena Vista, its officers and employees, harmless from any and all claims for injury or damage to persons or property arising from the construction/excavation activity. All barricades, signs and other traffic control devices shall conform to the Manual on Uniform Traffic Control Devices, and no excavation shall be left open overnight unless prior written approval is obtained from Public Works.
2. A permit may be made subject to such terms and conditions as Public Works determines necessary to protect the public health, safety and welfare, including the imposition of an expiration date for the permit and/or the posting with the Town of adequate financial security securing the Permittee's performance under the permit.
3. I hereby certify that I have read and examined all application submitted at this time and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. It is my responsibility to review the approved plans and any comments that are contained thereon and see that the structure and/or project is built in compliance with all applicable codes.
